

Image Moments 8 (IMT-083) by Digital Foci

8" High-resolution Digital Photo Frame

KEY FEATURES:

Screen and Sound Quality

- **8.0" SVGA (800x600 pixel) color TFT-LCD screen with fine pixel pitch**
- **Superb, subtle color representation** with high contrast ratio of 500:1
- **Features LED backlight** that provides deeper color pallet reproduction over CCFL and is environmental friendly with lower power consumption and mercury-free construction
- **Screen brightness adjustable** for optimal viewing
- **High-quality stereo speakers** with frequency response range of 300-20K Hz, resulting in deep and rich sounding audio
- **Audio output to external speakers** for special events

Memory Sources

- **450 MB internal memory:** Can stores more than 2000 photos on the device
- **Built-in memory card slots provide native support for: CF, MMC, SD/HC Card, Memory Stick, MS PRO, MS Duo, MS PRO Duo, and xD-Picture Card** (also supports mini-SD and RS-MMC with adapter)
- **Copy photos directly from memory cards to internal memory** without needing a computer
- **USB 2.0 connection** for transferring photos between your computer and device
- **Memory Source Select** allows concurrent selection of a single or multiple memory sources for playback
- **File management features:** Organize, copy, delete, rename files; sort files by name or date; create new folders; copy between memory cards

Playback Options

- **Advanced multimedia format support:**
 - Image: JPG, BMP, TIFF, GIF, RAW image files from a wide selection of DSLR cameras
 - Audio: MP3, AAC, WMA
 - Video: MJPEG, MPEG-1, MPEG-4SP
- **Automatic photo orientation based on EXIF data:** Photos will be automatically rotated to the correct orientation based on the EXIF data captured by the camera
- **Landscape and portrait positioning with auto-rotate orientation sensor:** Photos will automatically be displayed in the correct orientation according to landscape or portrait positioning of the device
- **Automatic photo slideshow** with adjustable time intervals, multiple transition effects, and random option
- **Multiple photo viewing options:** Zoom, pan, rotate photos, view EXIF, and view photo thumbnail
- **Versatile playback modes:** Select playback by photo only, video only, both photo and video, or photo with music
- **Selective playback:** Navigate and select specific photos and videos to playback from all selected memory sources in 'Folder Mode'
- **On-device playlist management:** Create, edit, and playback unique playlists of favorite photos in desired sequence directly on the device
- **Automatic on/off timer** for scheduled operation
- **Versatile control options:** Operate device by onboard joystick and buttons or wireless remote control

Physical Design

- **Hinged memory card door** hides memory cards from view and creates an elegant, clean finish
- **Tension hinged easel leg** allows user to choose optimal display angle
- **Brackets for easy wall-mounting** in both landscape and portrait orientation
- **Lanyard fixture** for tethering down device in public areas to prevent theft
- **Elegant, traditional design** with interchangeable frames and mats
- **Proprietary Adapter Ring design** supports limitless custom framing options

Image Moments 8 (IMT-083) Spec Sheet

Model no.	IMT-083
LCD screen	8.0" color digital TFT LCD screen
Screen resolution	800 x 600 pixels - SVGA / 125 pixels per inch
Picture aspect ratio	4:3
Effective viewing area	8.0" diagonal (4.8" x 6.4")
Contrast ratio	500:1
Pixel pitch	0.2025 x 0.2025 (in mm)
Brightness (cd/m ²)	250 nits
Viewing angle	140 degrees horizontal, 120 degrees vertical
LCD backlight unit	LED
Onboard memory	450 MB
Memory card natively supported	CompactFlash, xD-Picture Card, SD Card, SDHC Card, MultiMedia Card, Memory Stick, MS PRO, MS Duo, MS PRO Duo (<i>miniSD, RS-MMC with adapter</i>)
USB	USB 2.0 Device (for computer connection)
OS compatibility	Windows Vista/XP/2000, Mac 10.01 & later
Image format support	JPEG (up to 35 MP), RAW (select DSLR), BMP, TIFF, GIF Displays EXIF information and histogram
Video format support	MJPEG, MPEG-1, MPEG-4 SP
Music format support	MP3, AAC, WMA
Photo viewing options	Zoom, pan, rotate, thumbnail view, photo slideshow with random sequence option, photo slideshow with music, play from playlist
Memory source select	Yes (single or multiple memory sources)
Auto-rotate image	Yes (from EXIF data)
Slideshow intervals	1 second up to 24 hours
Transition effects	4 effects
File management features	Yes (copy, delete, rename files and create new folders)
Playlist management	Create, edit, rename, delete playlists, change playback sequence
Built-in stereo speakers	Yes (2W + 2W); 28 mm diameter cone stereo speakers; Frequency response range: 300Hz ~ 20kHz
Audio output jack	Yes
Interchangeable frame	Yes
Interchangeable mat	Yes (3 color selection)
Orientation	Landscape & portraits
Orientation sensor	Yes (automatically rotates images)
Controls	Wireless remote control and on-device controls
Wall mountable	Yes
On-board clock with on/off timer	Yes
Power	AC 100-240V input to DC 5V/2A output
Dimensions	11.4" (W) x 9.8" (H) x 1.9" (D)
Weight	2.2 lbs.
Package contents	Image Moments 8, 3 interchangeable mats, AC power adapter, USB cable, remote control, User Guide, Quick Start Guide
