

USB Annex

4-Port High-speed USB 2.0 Hub

DIGITAL FOCI

Connect multiple USB devices

Mouse
Keyboard
Printer
Scanner
USB flash drive

Connect 4 USB devices
simultaneously through one USB port
on your computer

Digital camera
Card reader
External hard drive
Webcam

Computer Peripheral Connections Made Easy

- ◆ **Connect multiple USB devices to your computer**
at the same time, saving you from unplugging one USB device to connect other devices
- ◆ **Compact and lightweight design**
lets you easily pack it with your notebook to take on the go
- ◆ **High-speed USB 2.0 connection**
provides data transfer rates up to 480 Mbps
- ◆ **Over-current detection & protection**
protects your computer from potentially damaging power spikes
- ◆ **Self-powered via USB**
so no external power is needed for most devices
- ◆ **Included AC power adapter**
supports peripherals with high power requirements
- ◆ **Easy plug-and-play installation**

UHB-210 Multi-Use Model

- ❖ **Individual LED indicators** provide connection status for each port
- ❖ **Attractive brushed aluminum finish**

Package includes
AC power adapter & USB cable

UHB-230 Ultra-Portable Model

- ❖ **Built-in USB connector** makes it perfect for notebook users
- ❖ **Power LED indicator** shows power status
- ❖ **Stylish rubber coating and mirror finish**

Package includes
AC power adapter

USB Annex 4-port High-speed USB 2.0 Hub

DIGITAL FOCI

Key Features

Common Features

- ◆ 4 downstream ports let you simultaneously connect 4 USB devices to your computer
- ◆ Supports both high speed (480 Mbps) and low speed (12 Mbps & 1.5 Mbps) devices
- ◆ Self-powered via USB (no external power required for most devices)
- ◆ Hot-swappable capability lets you connect and disconnect devices without rebooting
- ◆ Over-current detection and protection protects your computer from potentially damaging power spikes
- ◆ Power LED indicator shows power status
- ◆ Easy plug-and-play installation
- ◆ Works on both Windows and Macintosh operating systems
- ◆ Compact and lightweight design
- ◆ Comes with AC adapter to support peripherals with high power requirements

Multi-Use Model

- ◆ Individual LED indicators provide connection status for each USB port
- ◆ Attractive brushed aluminum finish

Ultra-Portable Model

- ◆ Built-in USB connector - perfect for mobile applications
- ◆ Stylish rubber coating and mirror finish

Specifications

Common Specifications

No. of ports	1 upstream & 4 downstream ports
Interface	USB 2.0 (compatible with USB 1.1)
Transfer rate	Up to 480 Mbps
Power	USB bus-powered (or external DC 5V/2A)
OS compatibility	Windows XP, 2000, ME, 98/SE, Mac OS 8.6 & higher

Multi-Use Model

Model no.	UHB-210
LED indicator	1 power & 4 port indicators
Dimensions	3.6" (L) x 2.1" (W) x 0.8" (H)
Weight	2.9 oz.
In the box	UHB-210, AC adapter, USB cable

Ultra-Portable Model

Model no.	UHB-230
LED indicator	1 power indicator
Dimensions	3.9" (L) x 1.0" (W) x 0.8" (H)
Weight	1.7 oz.
In the box	UHB-230, AC adapter

UHB-210 Multi-Use Model

UHB-230 Ultra-Portable Model
